

Detective Don Odham called out to this Detective and advised that he had located a cell phone in the southeastern bedroom. This bedroom is believed to belong to Laqecia Herring. Detective Odham was able to determine that the cell phone belonged to Laqecia. Detective Odham seized the phone as evidence and brought it back to the Leon County Sheriffs Office.

Once back at the Sheriffs Office, I manually went through Laqecia's last text messages that she had received on the 26th of January 2011. Most of the text messages seemed to be sent to or received from the name "Shon" at 850-459-0690. Below is a list of sent and received text messages from Laqecia's phone to the name "Shon".

10:59 p.m. Sent from Laqecia to Shon- "sterlin here"

This text is vague. Notice difference of Laqecia's spelling of Sterlin.

This concluded all of the recent messages that I observed on Laqecia's phone. The cell phone was then turned back over to Detective Odham.
